- * The subject headings of this index, with two exceptions, were adapted from *The Lawyer's Handbook* and are used in the same sequence. This allows the reader to cross-reference and locate easily all magazine articles dealing with the same topic in *Law Practice Management* and its predecessor, *Legal Economics*. The exceptions are "Substantive Law Systems", which can be cross-referenced with the Section publication, *How to Create-A-System for the Law Office*, and "Solo Spotlight" which highlights articles of special interest to the solo practitioner.
- Annual indexes began appearing in the last issue of each year from 1989-1994. Beginning 1995 indexes appear in the January/February issue. Previously, indexes were compiled every three years and appeared in the January/February 1979 issue of *Legal Economics* (covering Spring 1975 to Fall 1978), the March/April 1983 issue (January/February 1979-November/December 1982), the January 1986 issue (January/February 1983-November/December 1985), and the March 1989 issue (January 1986-November/December 1988).
